

German Bombers Arrives in U.S.

By EDWARD MURRAY
Exclusive to The Edmonton Bulletin
Copyright, 1944, by British United Press

LONDON, April 19.—Three further precautionary steps, including the suspension of steamer service between Cork and Britain, to clear the way for the opening of a western front were reported today amid growing signs of German jitters over the possible imminence of invasion.

Near Imphal
British Tanks Drive Through Jap Flank
ALLIED SOUTHEAST CEYLON, April 18.—(BUP)—British and Indian reinforcements have broken through the Japanese siege lines around Kohna to relieve the encircled garrison in that stronghold, a front dispatch revealed today.

By HAROLD GUARD

ALLIED HEADQUARTERS, CEYLON, April 19.—British armored forces have smashed through the northeastern flank of the Japanese siege area around Imphal, a communication reported today, while other troops and enemy units were locked in a swaying battle for possession of a key hill position southwest of the city.

Carlton County
Bracken Buys Farms in East; May Seek Seat
By NORMAN M. MACLEOD
Exclusive to The Edmonton Bulletin
Copyright, 1944, by British United Press
ST. CATHARINES, April 18.—(BUP)—Progressive Conservative leader John Bracken shortly will return to parliament in Carlton county, Ontario, where the question being asked in political circles here today after it was learned that he has just purchased farm properties in that constituency.

Bracken, who a quarter-century ago was a farmer and became a politician, today partially reversed the process by becoming again an eastern Canadian farmer, although remaining still a political leader.

He purchased two old-established farms some 15 miles from the capital here in historic Queen's county, and was reported to be negotiating for a third. Altogether he plans to invest an operation covering some 450 acres.

FOLLOWS CHALLENGE
The deal stimulated speculation in capital political circles that the progressive Conservative leader will run in Carlton county in the federal election. Bracken, 65, of the properties was handled by Bracken by the sitting Progressive Conservative Ontario M.P., Russell Boucher, K.C.

The speculation was whetted by the fact that it claimed to follow Prime Minister Mackenzie King's challenge yesterday to Bracken to secure a seat in parliament, where he would be in a position to speak for the elected members of his party. A candidate for parliament would be to own property in the riding which he contests.

F.D.R. Says Rome's Fate Up to Nazis
LONDON, April 18.—(AP)—Replying to a plea from Eamon De Valera that Rome be spared, President Roosevelt has told the Germans that the city's fate rests with Germany, while the Germans again have sought unilaterally to declare Rome an open city. President Roosevelt's message dated April 18, was made public in Rome today.

"If Germany forces were not entrenched in Rome no question would arise concerning the city's preservation," the president said. He asserted the Allies, "often at considerable sacrifice," have tried scrupulously to spare religious and cultural monuments in Rome.

The German reply was broadcast by D.N.B. Nazi news agency, directly before Allied broadcasts in Naples announced heavy enemy traffic was noted moving into Rome from the northeast. The Germans suggested Premier De Valera in the United Nations to contribute toward preservation of Rome by refraining from news of N.B. called "censures" air attacks.

R.A.F., Canadians Drop All-Time Record of 4,400 Tons of Bombs

By PHIL AULT
Exclusive to The Edmonton Bulletin
Copyright, 1944, by British United Press

LONDON, April 19.—The pre-invasion bombing of Europe hit a pace of 5,000 planes dropping some 8,000 tons of bombs within 24 hours today when American forces smashed six aviation centres in Germany after R.A.F. and Canadian night raiders delivered a record 4,400 tons to the continent.

Special Parley
City Council Meets on Re-Financing
A special meeting of the city council was scheduled to be held Wednesday at 5 p.m. in connection with plans for further refinancing of the city's bonded debt.

What to Do With Germany
By LOUIS NIZER
Chapter III.
Germany bound by pacts to comply with international law and rules of war; Hitler fully realized the validity of safeguards against barbarism.

Many Seek Space
House Officials Are Indefinite On Total Needs
With but 11 days to go to May 1, the month in which the six months' notice to vacate many homes will become effective throughout the Dominion, Dominion housing officials have neither an accurate picture of how many families are to be forced out of their homes, nor any definite plan as yet to accommodate for such cases, a survey made Wednesday disclosed.

By Minister
Plans Outlined For Air Units Being Closed
OTTAWA, April 18.—(CP)—Air Minister Power gave information last night in the Commons on the plans to close down air training schools to be closed under the new training plan operations and outlined further use to be made of some.

Baseball
The proposed strengthening of the runways will fit them to take care of the "greatest amount of traffic," the minister said. The project would on the four airports, of which Mr. Keith is the minister in charge of construction, \$25,000,000.

National C.C.F. Meeting Called
OTTAWA, April 18.—(BUP)—The Co-Operative Commonwealth Federation will hold a national convention at the Windsor hotel in Montreal on July 21, August 1 and 2, C.C.F. national headquarters announced today.

House Approves Relief Program
Canada's participation in the United Nations relief and rehabilitation program was approved by the House of Commons Tuesday when a bill carrying into effect the agreement was passed. The bill states that the government will make a contribution to the program and will also make a contribution to the program.

Power Explains: Air Schools Closing Due To Surplus Trained Crews
OTTAWA, April 18.—(CP)—Air Minister Power said last night in the Commons Canada by the end of this month would have trained the 100,000th air crew member under the British Commonwealth air training plan.

Far East Experts Believe War Against Japan Will Last 3 to 5 Years After Nazi Defeat
By JOHN R. MORRIS
Exclusive to The Edmonton Bulletin
Copyright, 1944, by British United Press
NEW YORK, April 19.—The United Nations have not yet really begun to fight their war against Japan in the opinion of most Allied leaders on the Asiatic front.

Gets Divorce
LOS ANGELES, April 18.—(AP)—Actress Gloria Dickson obtained a divorce from Film Director Ralph Murphy yesterday, with testimony that "strained relationship" and "quarrels made their marriage intolerable."

What to Do With Germany

By LOUIS NIZER

Continued from Page One

many, had made similar resolve. Also, the Statute of the Permanent Court of International Justice and the Protocol ratified by forty-nine nations was in aid of this peaceful determination of disputes.

BINDING TENETS

These various agreements automatically became binding tenets of International Law. As Dr. Bays said, "The state which by its conduct entered into July 7, 1937, by Hitler's Germany, Great Britain, France and Italy recites in 1938 pre-amble."

"Faithful to the obligations which they have assumed by virtue of the Covenant of the League of Nations, the Locarno Treaties and the Briand-Kellogg Pact, and taking into account that declaration of the renunciation of the principle of which was proclaimed in the declaration signed at Geneva on December 11, 1932, by the delegates at the Disarmament Conference and adopted on March 2, 1933, by the Political Committee of that conference . . ."

Furthermore the German-Polish Pact of Non-Aggression was entered into on January 26, 1934. In this the Briand-Kellogg Pact was set forth at length. Hitler expressly referred to the Pact which had become the most important post-war provision of International Law. He specifically incorporated this treaty and its terms in his pact with Poland.

DEEPLY IMBEDDED

By subsequent ratification these resolutions became more deeply imbedded in International Law. In September, 1934, the International Law Association, meeting in Budapest, adopted Articles of Interpretation of the Briand-Kellogg Pact. It declared that a nation which violated the provision outlawing war would be "an offender against the Law of Nations."

We conclude, then, that Germany was bound by International Law not to make war. But in addition it was also bound to comply with certain rules if it did, illegally.

Exact statements of these Rules of War are to be found in the Geneva Conventions of 1864, 1906 and 1929, the International Convention relative to the Treatment of Prisoners of War in 1929, and the Hague Conventions of 1864 and 1907. The Hague Convention of

METHODS RESTRICTED

The methods of combat are restricted in the interest of humanity. The convention forbids a belligerent to employ poison or poisoned arms, to kill or wound by treachery, to employ arms, projectiles and substances which are calculated to cause unnecessary pain (Article 23). Bombardment by naval forces of undefended towns is forbidden (Article 24). The use of automatic machine guns is prohibited (Article 25). Discharging explosives "from balloons" is similarly outlawed.

The provision forbidding forced labor by the civil population in occupied districts dates back to the Brussels Conference of 1874 and is an accepted doctrine of International Law.

Acts of pillage, incendiarism, rape, assassination, maltreatment of prisoners and similar violations of the rules of war are crimes. The soldiers who commit them are not immune because they were committed in the course of war. Acts of war, ordinarily crimes, are "legal" only if they are committed in conformity to the rules of International Law.

International Law provides that mercenaries may not be sent without previous visit and search and without placing the passengers and crew of the vessel in safety.

German submarine warfare is a breach of the vessel's right, not an act of war.

BOUND TO OBEY

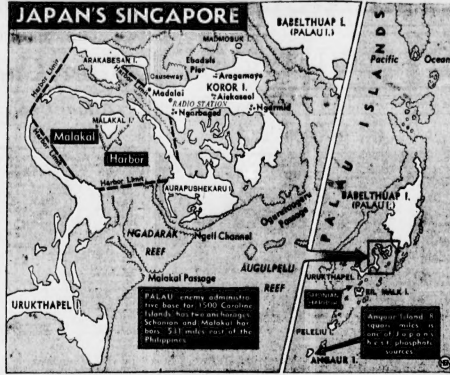

Thus we conclude that Germany was bound to obey the Rules of War, a duty which fell upon every soldier, officer and civilian of the Reich. What does this duty entail?

To what extent do the rules of International Law condemn the individual German for his acts, once war has been declared? It is impossible if he acts within the rules prescribed for warfare. If he commits an act in violation of the laws of war, he is liable to trial and punishment.

Germany fully recognized the validity of these standards, and she may now contend that they are not binding on her. The German Chancellor, Herr Hitler, declares that the inhabitants of occupied territory must not be injured, that they must be treated as free men, that every unlawful killing, every bodily injury due to fraud, negligence, every insult, every disturbance of domestic peace, every attack on family, honor or morality, and generally, every unlawful act of violence is punishable as though it had been committed against the inhabitants of Germany.

The code prohibits all destruction, devastation, burning and ravaging of property.

Daily War Map—Exclusively in The Edmonton Bulletin

Maps above show Palau Island, westernmost of the Caroline chain. Developed by Japs into "Singapore" of the southwest Pacific, the islands form major sea and air base against seaborne attacks on Philippines and Dutch East Indies. The Palau group, extending 90 miles north and south, 20 miles east and west, includes scores of islands of which half a dozen are important. Largest is Babelthup, or Palau (map at right), 27 miles by 8 miles. As at Truk, Palau group's important harbors (map at left) are protected by ring of coral reefs, with comparatively few passages.

To India's Defenders

Failure of Jap Air Power In Burma Pays Dividends

By CLYDE A. FARNSWORTH
WITH BRITISH FORCES ON THE NINE ROAD OUTSIDE KOHIMA, April 19.—(AP)—Nullification of Japanese air power in Burma is paying protective dividends now in development of British ground strength against penetration of India.

Failure of the Japanese invasion will be the result of failure of Japanese air power.

The current Japanese defeat, while still sharp, is sharper if Allied armies did not rule the sky. While the Japanese operation is one calling for close air support not only in combat but in liaison, reinforcement and supply.

At the time of granting of any armistice to any government which may be set up in Germany, those German officers and men and members of the Nazi party who have been responsible for or have taken a part in the atrocities, massacres and executions will be sent back to the countries in which their abominable

deeds were done in order that they may be judged and punished according to the laws of these liberated countries and of the free governments which will be erected there.

U-Boat Captain Wounds Himself

In "Desperation"

WASHINGTON, April 18.—(AP)—A German U-boat skipper who shot himself (but not mortally) when an R.A.F. bomber sank his sub, is a prisoner of the United States Navy.

An American aircraft carrier task group came along and picked up the undersize boat commander and those of his crew who escaped from the sinking sub.

The Navy said yesterday the incident took place "recently" in the vicinity of the Azores.

The Nazi captain said he wounded himself "in a moment of desperation."

Britons Allowed In Banned Areas For Harvest Work

LONDON, April 19.—(CP)—Britons wanting to spend a holiday in the banned coastal areas, where some of the country's most famous resorts are located, can do so without restriction, they've discovered. They will be paid while in the area, provided with accommodation and food, invited to free concerts and film shows. The only stipulation is that they must help to get their things harvest.

Approximately 75 tons of tin go to the construction and equipment of a battleship.

The Bulletin's Baseball by Hal Dean

SPORTS EDITOR

JUDGED by opening day crowds, major league ball ticks a lot of approval despite all the blue ruin that came to the game going to the dogs. With some 30,000 on hand in Cincinnati where Bucky Walters was the hard luck guy of the day and 28,000 out to watch the Yankees being entertained in Detroit, there doesn't appear to be much to suggest anything but a good year ahead.

And a glance at the hits and run column seems to be almost a complete answer to the claim pitchers can't get their flippers in shape when training is done in the north. Advocates of south country hereof should frame their propaganda in the batting angle.

Pitchers for the two clubs which met in the world series last fall must have had their backs breaking just about right yesterday. Hank Borowy tossed a 3.0 five-hitter at Boston and Max Lanier's two-hit no-run performance was the work of a master craftsman.

And just to recall the last performance of these two hurlers, Borowy won the third game of the series on Oct. 6 by a score of 4-3, allowing six hits and three runs, while Lanier, who pitched in three without a win but 4-1, allowed six hits and three runs in seven innings in the opener which Yankees took 4-3 from the Sox.

The Cardinal south also went into the series with a 2-1 record, allowing just three hits and one run, while Borowy pitched in three without a win but 4-1, allowing six hits and three runs in seven innings in the opener which Yankees took 4-3 from the Sox.

BOYS ANXIOUS TO PLAY
A VISIT to Renfrew Park last night would have been sufficient to dispel all doubts as to whether or not the boys are coming out in force for the season. The boys are coming out in force for the season. The boys are coming out in force for the season.

Kramer Times Tigers 2-1 Hank Borowy in Fine Form As Yanks Trim Boston 3-0

BOSTON, April 19.—(AP)—Hank Borowy turned in a glittering opening day five-hit performance Tuesday as New York Yankees whitewashed Boston Red Sox 3-0.

Borowy kept his hits well scattered with the exception of the fourth inning when Jim Tabor and Leon Culbertson singled successively to win one. Borowy settled down to throw out Roy Partee and fan Yank Terry to end the threat. Jim Lindell got the Yankees to a tie score as the second inning opened when got on in the third. Terry's bat swung and slammed it into the right field wall. That, as it proved, was enough to win the game but the Yankees settled it decisively with a pair of runs in the seventh.

New York — 600 000 200-3 0
Boston — 000 000 000-0 2 1
Borowy and Garbarik; Terry and Partee.

HIGGINS' HOMER ROBS
DETROIT, April 19.—(AP)—Jack Kramer, a navy dischargee, was one strike from a shutout Tuesday when he ran into a home run by Pinky Higgins, but he was the winning pitcher as St. Louis Browns defeated Tigers 2-1 in an American League opener before 10,000 spectators.

Browns scored on the first inning off Pink Trout on singles by Don Gutteridge and Yank Berry and George McQuinn's forecourt.

Yankees Likely in Other Corner Cards Should Win by July 4th

NEW YORK, April 19.—Who do you like to win the ball club's square away? It's no contest in the National League, where the Cardinals would be a shoo-in pre-war club.

The Red Birds have been so busy not by the way, only one key man of last season was missing. Lou Klein, Yank Bitty Southworth says Emil Verban, if he can't get the Cardinals to play second base even if he has the call in the American League.

New York now has the pitching bulge, however, and Rube Hemmery no doubt will show up to catch. The Buggers, who have a better backslapping prospect in Bill Dresher, who is looked upon as Long Bill Dresher's alternate, says Joe Gordon will be missed, of course, but Rube Hemmery is no doubt will show up to catch.

Third Wartime Session of Majors Starts with Chuckers Stealing Show

Pitchers Handcuff Batters on Opening Day

Lanier Sets Pirates Down With 2 Hits

By FRITZ HOWELL

NEW YORK, April 19.—(AP)—Pitchers had their day as major league baseball launched its third war-time season Tuesday, the hurlers holding the wood-wielders to a puny .106 average.

No team was able to get into double digits in the hit column, three failed to score a run, three counted but only four scored twice, three scored three times, and only one was able to get four hits. Only 81 were registered in 450 times at bat.

Max Lanier, St. Louis Cardinal southpaw, held Pittsburgh to two singles in racking up a 2-0 shutout for the National League champions. Cincinnati's Bucky Walters was the hard luck guy, his three-hit effort going for naught as Chicago Cubs beat the Reds 3-0 behind the five-hit hurling of Frank Wyse.

Hank Borowy of the Yankees also went into the series with a 2-1 record, allowing just three hits and one run, while Borowy pitched in three without a win but 4-1, allowing six hits and three runs in seven innings in the opener which Yankees took 4-3 from the Sox.

ST. LOUIS, April 19.—(AP)—The chunky southpaw who pitched the pennant-winning game for the St. Louis Cardinals last season started them with a victory Tuesday in their race for a third straight National League championship.

Lefty Max Lanier, taking over the opening-day assignment from Morten Cooper, turned in a superb two-hit pitching performance to shut out the Pittsburgh Pirates 2-0, defeating a courageous, Edwin (Preacher) Roe, Cardinal catcher who pitched last year for the Columbus American Association fan, matched Lanier's efforts through the first five innings but weakened in the sixth when the Cardinals set the stage for a big rally.

Pittsburgh — 000 000 000-0 2 1

WALTERS HOLDS CUBS
CHICAGO, April 19.—(AP)—Behind Hank Wyse's five-hit hurling, Chicago's Cubs blanked Cincinnati Reds 3-0 Tuesday before a crowd of 30,154, largest opening day attendance as a baseball team went into its third wartime season.

Borowy's altered looks who pitched last year for the Columbus American Association fan, matched Lanier's efforts through the first five innings but weakened in the sixth when the Cardinals set the stage for a big rally.

Bill Vosselle became the first New York Giant rookie pitcher ever to win an opening game in the Polo grounds as he right-handed Mel Ott's belated bid to a 2-1 victory over Boston Braves before 13,470.

While Vosselle was scattering hits and whiffing nine freeman Hal Tully of Oakland, Calif., delivered the decisive wallo, the double play was the first victory for Noyes in the seventh. Roland Gagliardi and James E. Workman's infield out in the fourth for Boston's lone tally.

Editor Passes
CARLYLE, England, April 19.—Charles Larcum Graves, 67, former assistant editor of the "Spectator" and "Punch," and father of numerous books, has died here, it was announced yesterday.

BULLETIN Off to Good Start

Starting right in where he left off last season, Hank Borowy, left pitched shutout for the world champion Yankees against Boston Red Sox in yesterday's opener, allowing only five scattered hits and allowing 2-0. Max Lanier, right, turned in the best pitching performance of the day in limiting Pittsburgh to a pair of hits, as Cardinals won 2-0.

FITZSIMMONS PHILLIES
JUMP ON DOGGERS 4-1
PHILADELPHIA, April 19.—(AP)—Freddy Fitzsimmons' revamped Phillies Tuesday showed power at the plate behind a pair of hits by brilliant six-hit pitching as they defeated the Brooklyn Dodgers 4-1 with the largest inaugural crowd in years, 10,128, in the stands.

Andy Seminick contributed a triple and a single and Buster Adams singled out three singles to give the Phillies their first victory over the Brooks since Fitzsimmons came back from a 10-month suspension. Brooklyn — 000 100 000-3 6 1

Hewitt Chairman Governors' Board For Hall of Fame

TORONTO, April 19.—(CP)—W. A. Hewitt, secretary of the Ontario Hockey Association and registrar-treasurer of the Canadian Amateur Hockey Association, has been named chairman and secretary of the board of governors which will select officials and players to be named for the hockey Hall of Fame in Kingston, it was announced here Monday night.

The board, which includes hockey officials from across Canada, will handle appointments to the hall of fame and determine the system of voting.

The C.A.H.A. has recommended the names of James Sutherland of Kingston and Claude C. Robinson of St. Catharines, Ontario, as candidates for the hall of fame. Robinson is the founder of the hall of fame and has been named the first minutes of the association to Hewitt as a souvenir for the Hall of Fame museum.

Heath Signs CLEVELAND, April 19.—(AP)—Jeff Heath, heavy-hitting Cleveland Indians outfielder, signed a contract for the 1944 season and joined the Tribe in time for Tuesday's opener against the White Sox in Chicago. Heath, native of Port William, Ont., agreed to terms after a conference here Monday. Heath remained on his shipyard job in Seattle until Friday, when he started for Cleveland.

SAVE ON SHAVES

With Minora Blades!
Minora offers ordinary double edged razor blades. It's the quality blade in the lower price field.

TELL YOUR STUDENT-PAIS THEY TOO CAN BUY A BIKE

BIKES are rationed and reserved for those people who need them and students need them! Students are qualified to receive a permit to buy a bicycle if they ride a minimum of 15 miles per week to and from school, on newspaper routes, parcel delivery, errands, etc.

So tell your student-pais that many of them can qualify to buy a bicycle by going to their nearest C.C.M. dealer and filling out a Bicycle Purchase Application Form.

While your student-pais may have to wait a little while to get delivery of their new C.C.M., still it is a fact that larger quantities of bicycle materials are being made available to provide bicycles for essential users—the sooner the forms are completed the sooner they will get their C.C.M.'s.

Voluntary Bicycle Rationing, now in its second year, is being operated by the bicycle manufacturers and dealers in conjunction with the Warime Prices and Trade Board. It has, and is serving a most useful wartime purpose in providing the available bikes to those who need them—the farmers, police, collectors, messengers, war and civilian workers, teachers, the clergy, students and other riders who really need bicycles.

Read the accompanying panel listing those riders under A, B, C and D, who are eligible to buy bicycles.

When you buy a bicycle buy a C.C.M. and be sure of long years of enjoyable, trouble-free cycling—see your nearest C.C.M. dealer.

Today's Sport Parade

By Jack Cuddy

Exclusive to The Edmonton Bulletin
Copyright, 1944, by British United Press

NEW YORK, April 18.—Paul Waner of the Brooklyn Dodgers, who has been around long enough to know, predicts that the 1944 baseball season will produce extremes in the contrasting figures of high batting averages and low allowed-run averages for pitchers.

Toronto Fighter Stopped in Army Boxing Tourney

TORONTO, April 18.—(CP)—F. (Pat) Brando, of Hamilton, put an end to the comeback attempt of L. C. Norman (Baby) Jack, former Canadian bantamweight champion, when he landed a split three-round decision over the runner in the main attraction of the Military District No. 2 boxing championships Tuesday night.

In another feature, Tip L. Whitehead, of Toronto, Ont., present Canadian middleweight champion, scored a second round knock out over Pat Fortune of the Brampton camp.

All winners advance into the Canadian army boxing championships, which are to be held in Camp Borden.

In other bouts, Tip E. W. Winter of Newmarket, Ont., featherweight, scored a first round knockout over L. C. Butt of Winnipeg and P. F. Fiften of Brockville, Alta., middleweight, lost a decision to Tip T. Klynke, Toronto.

CANADIAN SPORTSHOTS

By Syd Thomas

TORONTO, April 18.—(CP)—While giving credit to the Canadian Amateur Hockey Association for keeping hockey alive and kicking through all sorts of difficulties, Jack Cornwall Standard Freeholder, Park criticizes the body's attempt to hamstring young players by taking good-looking players out of the Ontario or British.

Park thinks the C.A.H.A. should devote more money to attention to the minor groups and build up a good reserve of players for the future years. Then, he contends, we wouldn't have to worry about players going to other fields and leaving Canadian teams depleted of their best players. The C.A.H.A. could spend twice as much money on the minors and juveniles and still have plenty of mazzola, he adds.

As far as trying to keep hockey players from going where the long-term is longest and greatest, Park thinks that is a waste of time. The boys will go whether or no, and even if the league they play in is outlawed the extra money they get will allow them to "forget a lot of woe."

Concluding, he suggests the C.A.H.A. unlimber its ban-rolls and spend some to provide good coaching for youngsters in all parts of the land.

After the bottle, "Recent attack of 'throw-ins' by fans at hockey games put H. A. Cole of the Guelph (Ont.) Mercury in reflective mood. He recalled one game in Montreal years ago when Alfie Simpson of Toronto allied the habitues of millionaires' row no end. Finally some misguided fan flung a tin bottle at Alfie's head. Simpson took one look at the bottle sliding over the ice, saw it was a full one and took after it, pursued by other players who intruded by the bottle, mysteriously unbroken. But Simpson reached it first, and without pausing to breathe for his dressing room where he safely caught it, Cole related.

The fan booted lively for return of his bottle, but didn't get it.

International Lge. Opens Thursday

NEW YORK, April 18.—(AP)—The International League, the minor baseball league in existence, will embark on its first consecutive season tomorrow with prospects bright in spite of the pressure of war.

The opening day program brings together these clubs: Buffalo at Baltimore, Montreal at Toronto and Rochester at Syracuse and Toronto at Jersey City.

GIRLS

Second game will be tonight.

Winnipeg Cagers Win Final Opener

WINNIPEG, April 18.—(CP)—No. 8 Repair Depot took a one-point lead over No. 7 Bombing and Gun-nery Division of Paulson, Man., in the first of their two-game total-point series for the Manitoba senior men's basketball championship when they defeated Bombers 25-23 here last night.

Second game will be tonight.

Kitchener Ties Up Junior Hoop Final

KITCHENER, Ont., April 18.—(CP)—St. Jerome's College of Kitchener last night scored a 20-20 victory over the Montreal Young Hoops in the first of their two-game total-point series for the Manitoba senior men's basketball championship when they defeated Bombers 25-23 here last night.

Second game will be tonight.

Army, Navy Pats Practice Tonight

ARMY AND NAVY Pats of the Senior Girls' Football League will practice at Victoria Park grounds tonight, commencing at 7:30.

Captain Clara Hollingsworth said that the pitching berth has not been filled yet and a special invitation to attend practice is extended to chasers.

The American steel industry is estimated to have produced nearly 90,000 tons of steel in 1943.

Honus' Greatest Thrill

Wagner Won His First Title

In Final Game of Season

By SAM DAVIS

NEW YORK, April 18.—Honus Wagner's thick, powerful shoulders and massive arms put terrific power behind his wagon-tongue. His first big thrill was in his major league debut with Louisville when he singled first time up, driving in a run. Later in the game he stole a base and sacrificed once, all this against pitcher Jimmy McNamee of Washington. "And," the Dutchman says, "my greatest thrill came when I won my first of eight batting titles in 1900 with Pittsburgh."

"We were playing our last game of the season. When the contest started, I was in the batting line with a Philadelphia Outfielder named Flick, who also was playing his last game in the Quaker City."

"The fourth estate boys in the press box were interested in the race between Flick and me, so I was kept posted. I hit on my first trip up, so did Flick. He came up for his second at bat before I did. He didn

Alberta Butter and Cheese Production Reveals Increase

Some Dairy Products Show Gain of Three Per Cent In March Over Last Year

Increases in both butter and cheese production for the month of March, 1944, as compared to March, 1943, were reported Wednesday by D. H. McCallum, provincial dairy commissioner. Butter production for the month stood at 2,301,782 pounds, three per cent higher than the 2,235,601 pounds produced in 1943, while cheese figures soared to 263,348 pounds, a 74.1 per cent increase over 1943 totals for the month.

Conditions such as feed, weather and transportation facilities were favorable for dairy farming in March, Mr. McCallum states. The increase in both creamery butter and factory cheese production was recorded.

A breakdown of the butter production figures reveals that Northern Alberta produced 849,226 pounds in March, the central section, 921,917 pounds, and the south-east, 530,639 pounds.

These figures compare with 861,351 pounds produced in northern Alberta in March, 1943, 878,758 pounds produced in the central region, and 482,225 pounds produced in the south.

January-March butter production for 1944 compares with 7,842,320 pounds for the same period, a 1.2 per cent increase over 7,742,320 pounds for the same period in 1943.

CHEESE PRODUCTION
While factory cheese production rose by 74.1 per cent in March, the Canadian production of 263,348 pounds is only 13.1 per cent higher than 232,900 pounds for the same period in 1943.

Fieldmen holding annual conference. Annual conference of fieldmen and staff of the department of municipal affairs was held Wednesday at the legislative buildings. It was presided over by the minister, with a banquet at the Corona hotel.

Wednesday's program included a discussion on tax recovery, procedure, by K. C. Switzer, tax recovery officer; seminars, assignments and notices in tax law, along with explanations of the Income Tax Act, by the department's chief, Mr. C. Switzer.

Engineer Surveys Mining Conditions
Survey of conditions in Edmonton's coal mines will be made by G. A. Cissac, Calgary, mining engineer representing the Dominion government, who arrives here on Friday, it was learned Wednesday.

In the meantime coal mine operations will be maintained by the result of representations made to the board by the coal mine committee now at Ottawa have been announced.

The mines, with the exception of one, are all idle, and will not be resumed until there is a satisfactory settlement of the dispute between the operators and the Dominion government.

Runaway Youth Found in City
A 15-year-old youth who gave his name as Northern Valley post office, observed by a patrol officer near a downtown café about 10 p.m. Wednesday, was taken to the South side police station where he was held for child welfare authorities, after admitting that he had run away from his home about a month ago. He told police he had been in Calgary before coming to Edmonton on Sunday.

City Visitor
J. J. McCall, Montreal, president of the Social Credit M.L.A. for Edmonton, will also speak, giving a resume of the recent Social Credit convention in Toronto. A musical program will feature community singing and soloists, Mrs. Macdonald and A. C. Wetmore.

Legion Asks Pensions For War Veterans

Service pensions for war veterans above the age of 55, with allowances for dependents, are urged on the Dominion government in a resolution approved by the Edmonton branch of the Canadian Legion to be brought before the annual convention of the Legion in Vancouver early in June.

The Edmonton branch sponsors point out that many veterans of the First World War are now facing the labor market because of advancing years and large numbers possess physical disabilities for which they do not receive regular war pensions.

The resolutions were passed at a meeting of the branch held Thursday and Friday when pupils from the two South Side schools attended at King Edward and a mass public school to take part.

Leading Part Road Program In Full Swing This Province

Three road construction and maintenance crews are now at work on the Edmonton-Crossfield highway between Olds and Calgary. It was stated Wednesday by Mr. W. A. Fallow, acting premier and minister of public works.

Two construction crews are at work between Calgary and Crossfield, a distance of some 30 miles. Above Crossfield, a maintenance crew is working on the 26-mile stretch highway north to Olds.

Another crew is moving to Lloydminster for construction on the Meridian Road running north and south on the Alberta-Saskatchewan boundary.

Mr. Fallow said that the cost of this work is to be shared between the governments of the two provinces on a 50-50 basis.

START NEW ROAD
Construction of the Coal Branch road, which will connect a local road with the main highway, is being completed by the province.

Other sections of road to be improved shortly are a section between Hume and Westlock, a 30-mile stretch; the Edmonton-St. Mary's road, a 20-mile stretch; and the Edmonton-Glenora section of the Edmonton-Highway.

The new highway is to be constructed in the near future. Mr. Fallow said that this will link with Hume Road, 100 ft. wide, and on to No. 2 Highway at Clyde.

Stamp Bar Sales \$2,731 This Month
A total of \$2,731 worth of War Savings stamps was sold during the month of April, 1944, according to figures for the period from April 1 to April 17.

The stamps were sold at the following locations: Wires Club, 101 street and Jasper avenue, and in mail-order sales.

During the last week alone \$687.50 worth were sold from the main stamp bar, \$287.50 from the office stamp bar, and \$332.50 from the Wires Club.

DOROTHY DIX SAYS—

Marriage is Woman's Avocation, Interest

She Must Keep Her Husband Amused and Comfortable Without Expectation of Similar Returns; She Must Be Gay, Confident, Broad-Minded

DEAR MISS DIX: I am 23 and attractive. Have been married two and a half years and have a comfortable home, but my problem is this. Things are fine as long as I am gay and amusing to my husband and keeping our lives pleasant. But as soon as I get sick, or have the blues or go to a party he wanders off and chews himself out without a thought for my comfort. It certainly burns me up when I know that I am attractive to others and contribute more to him than he does to me. I am a college graduate and can earn my own money. I do not need his money. I want to know what he gives as well as takes.

Why do men think that wives should be perfect while they continue to do as they please?

DISGRUNTLED WIFE

ANSWER: The reason wives have to be the appeasers is because marriage is a going concern. It is important to the wife that it is to the husband. A man has many interests outside of his domestic relationship. If his marriage doesn't interest him, he will have his consolation in his career, his business, his ambitions, in the life of the world around him. To her marriage is his avocation, and if she is disappointed in it all the balance is cinders.

Of course, in strict justice, it is just as much up to the husband to be a little gay of himself in the home as it is to the wife. Wives are just as much interested in their husbands as husbands are in their wives. If a woman is not interested in her husband, she is not interested in her avocation, and if she is disappointed in it all the balance is cinders.

But there is no logic or justice in it. It is just the way of the world. A woman has to be a little gay of herself in the home as it is to the wife. Wives are just as much interested in their husbands as husbands are in their wives. If a woman is not interested in her husband, she is not interested in her avocation, and if she is disappointed in it all the balance is cinders.

Of course every wife would like to have a husband who would remain a perpetual lover and who would play her and baby her when she had the blues and hold her when she was a headache. But in reality there isn't such a thing as that. If there is, it is a museum specimen. Most of the husbands who are a good provider and reasonably easy to get along with, if you view them to hold on to him. His wife is going to be a little bit of a nuisance to get after the war.

SELFISH WIFE

DEAR DOROTHY DIX: I would like to know if I am selfish in asking my husband to take the baby move or shopping without having to drag the youngster along. It would soothe my nerves after a week of constant baby-tending and shopping and scrubbing and cleaning.

My husband says that inasmuch as the three of us go out two or three times a week visiting, it is only fair that he should be allowed to decide for us which one of us is right.

MRS. G. A. K. ANSWER: You are a man who works outside of his home in a crowd with others, and who is continually seeing and hearing some-

DUMB-BELLS

THIS MONTH YOU SOLD ME IS NONE OF THE LITTLE CRITTERS' WILLS. I have a husband who is a little bit of a nuisance to get after the war.

Your Baby And Mine

By MYRTLE MEYER ELDREDG Every mother knows there are always times when a baby needs some extra attention. It may be sick or hurt or just nervously upset.

When anyone asks me to end the baby's sleep because a fixed one, it is a tyranny. It is an artificiality. It is a tyranny. It is an artificiality. It is a tyranny. It is an artificiality.

FOUR WORRIED FATHERS ANSWER: Tell your parents at once about your yearnings to let them know you are not alone. It is the only way you can save your own life from disaster. In your own mind, you are not alone.

Today's Needlework

By ALICE BROOKS With that end in view—and not because it is any magic formula—let the mother and father see how many minutes he can be rocked before he relaxes and goes to sleep.

Just to help him to concentrate on something besides rocking, let the mother present a toy animal of a favorite animal. Tell the child to hold it quietly and go to sleep.

Our belief, "Bed Weaving" has been by those parents who have been unsuccessful in training the child to sleep. It is a simple matter of having a child stand by himself-addressed envelope together with your request for Mr. Myrtle Meyer Eldredg in care of this newspaper.

New Title and Responsibilities Await Princess Elizabeth's Coming-of-Age

ON 18TH BIRTHDAY SHE WILL BE ELIGIBLE FOR MARRIAGE AND SOVEREIGN POWER; BRITAIN SPECULATES ON ROMANCE

LONDON, April 18.—No matter what international events may be occurring on April 21, that day will be one of special significance for the British Empire. For then pretty Princess Elizabeth of England legally comes of age. She will be 18, and if the need arose she could assume sovereign powers.

Her presumptive to the throne of Great Britain, she will acquire a new title and will take up residence in a state establishment of her own. As an age, she will be eligible for marriage and sovereign power. She will be 18, and if the need arose she could assume sovereign powers.

For some time now, official circles have been discussing problems of precedence and etiquette relating to her position. King George VI, however, already has had to face four problems concerning his daughter. These are: 1. Her

Accept Tender For Improved School Lights

Tender from the Solax Company Ltd. for fluorescent lighting fixtures for city schools was accepted by the board of trustees of the Edmonton public school board at a meeting Tuesday night.

One hundred and thirty of the new fixtures which cost \$20.45 each are to be delivered immediately for installation in Norwood, McKay Avenue schools and the new room at the Mulbartt school.

Allowance was made in the 1944 budget of the school board for cost of installation of the new improved lighting in three of the city schools. The installation work will be done by board employees and more fixtures will be delivered as the work progresses.

EXPENDITURES REPORT

Monthly statement of expenditures for the maintenance department on school grounds, buildings and equipment showed the amount expended for the month of April 6 as \$2,103.48.

During March a total of 1,962,350 pounds of coal was purchased by the board at a cost of \$3,609.14.

The comparative statement of cost and consumption of electric light for February showed a total cost of \$2,086.25 in 1941 as compared with \$2,033.23 during the same period in 1940.

Report on the cost of water for the same month showed \$565.87 expended in 1941 against \$520.83 during the same period in 1940.

A report submitted by H. G. Turner, secretary-treasurer of the board revealed that J. A. Dunn, caretaker, will reach the maximum retiring age in July, 1941 and J. M. McAfee, superintendent of plant will retire around July, 1945.

Suggested improvement on the proposed plan for a "composite" high school on the site of the present Victoria High, to be built after the war, were again discussed by board members.

Gyro Members Hear Address On Income Tax

Edmonton Gyro club members heard an address on "Income Tax" at their regular weekly luncheon meeting in the Macdonald hotel Tuesday. The speaker was Gyro Stuart Johnston, chartered accountant, of the firm of Patzkuhn, Johnston & Co., Mr. Johnston told how income tax had its inception in 1917, and explained portions of the Income Tax act. Russell "Barney" Stanley expressed the appreciation of the club to the speaker for his informative address.

H. E. Hamby, president, was in the chair. E. H. Poler, of Crane, Limited, a new member, was introduced by R. Cody McPherson.

Drew Says Empire Should Co-Operate On New Air Power

VICTORIA, April 19.—(CP)—The British Empire should stand together in development of the air power of the future, Premier George Drew of Ontario told a Newsmen-Canadian Club luncheon here yesterday.

He said that now is the time this decision should be made and that there should be a full discussion of the matter.

Development of air transportation is going to mean that the nations of the Empire and Commonwealth will be able to knit themselves more closely together than ever before.

There has been a feeling, the premier said, that talk of the Empire working together in a great and powerful fellowship would be resented in the United States. He said he does not agree with this.

Charged With Thefts

WINNIPEG, April 19.—(CP)—Pete, Frederick E. Ireland yesterday was remanded until Thursday when he pleaded not guilty to a charge of theft of army stores. Police allege Ireland stole a blanket and a pair of shoes from Quartermaster's stores and sold them to friends.

FUNNY BUSINESS

"In case any change drops out of my pockets!"

Loan Chairman Urges Citizens To Help Drive

Considerations are posed in Britain awaiting the invasion signal, and when it sounds they will plunge eagerly into the battle to bring freedom to the world.

The signal now is sounding throughout the Dominion for Canadians to join with their fighting sons in this invasion through the subscriptions to the Sixth Victory Loan. R. E. Staples, chairman of the Edmonton campaign committee, stated Wednesday, as he urged Edmontonians to over-subscribe the city's quota of \$3,100,000 during the first two weeks of the campaign.

He said that the measure of the success of this loan in Edmonton will be the measure of the support that is behind the fighting sons of Edmonton. "Let us get behind them in no uncertain way and show them that we are ready to give to the limit to send them the equipment and material necessary to speed the victory," Mr. Staples stated.

Mr. Staples said that the British invasion army in an address to the British people after his inspection of the Canadian Army in Britain said "an inspired army can only go forward from an inspired people."

Mr. Staples said that the spirit of all-out investment in the forthcoming loan supply that inspiration to the men from Edmonton and district as they stand waiting for the signal that will light the flame of liberty again throughout the conquered countries.

The quota for Northern Alberta has been set at \$9,790,000, with the rural districts quota fixed at \$4,000,000. These quotas are for subscriptions from the general public.

Value of Service Work Is Stressed

By serving others, man can best serve himself, the Rev. H. Douglas Stewart, minister of St. Andrews Presbyterian Church, said Tuesday night in an address before a meeting of the Y. M. C. A. club at the Y.M.C.A.

"Service speaks of lives devoted more to others than to ourselves," he said. "Love yourself in service and you will get the most out of it."

Mr. Stewart stressed the value and importance of service clubs, praising the Y. M. C. A. club for flying "the flag of service for youth."

He was introduced by Cecil Robinson and thanked on behalf of the club by Gordon Christian.

Earlier nine new members enrolled since October, 1940, were inducted into the club in an impressive ceremony conducted by Bill Pettigrew and Stuart Harris.

They are the Rev. Daniel Young, Dr. A. W. Hardy, John Harford, Ed A. Hamilton, Gordon Christian, Jack Humphrey, Bob Kilmington, Ken Robinson and Cornelius A. Ferguson.

Bill Pettigrew led the singing, which followed dinner, accompanied

Poverty, Scarcity, Encourage Fascism

Poverty and scarcity are the natural breeders of Fascism and are really the fundamental causes of the dictatorships of Germany, Japan and Italy, Capt. George D. Kue declared in delivering a lecture on Technology in the Acadia hall, South Edmonton, Monday night. About 75 attended the meeting.

Endorsed scarcity in Canada or the United States could have the same result as the more natural reactions of the Axis countries, the speaker said.

As men fighting in Italy have not demanded bonuses for the service they have rendered, he said, it is not permitted to gain wealth and advantage, he claimed.

Admiration for Russia's magnificent struggle should not mislead people here into the belief that a Communist state is the solution for America's difficulties, he said.

He urged citizens to write their elected representatives demanding total conscription of all men, machines and material with national service from all and profits to none, as not only the quickest and surest

Typhoid Outbreak Said Diminishing

Only two new cases of typhoid were reported from southern Alberta in the last week, and the outbreak of the disease now appears to be under control, it was stated here Wednesday by Dr. A. Somerville, director of communicable diseases, provincial department of health. Prior to last week, new cases were being reported at the rate of one or two a day.

To date, some 70 cases of typhoid, resulting in four deaths, have been reported. The outbreak is said to have been caused by the sale of contaminated cheese from a factory in the southern part of the province. The factory was closed, and the suspected cheese seized, on orders of provincial officials.

A district nurse was sent into southern Alberta some time ago by the health department, and endeavors are now being made to locate any carrier of the disease. Officers of the health department are continuing a close watch on the outbreak.

route to victory in the war but to stability in the difficult transition period after victory is won. Conscription is not confiscation, he said.

In New Post

Homer P. Keith, former Alberta deputy minister of public works, is engineer in charge of the construction work to be done on Canadian airports in the northwest. His official title is district airway engineer for the Northwest Wing.

One leaky faucet may waste more than 400 gallons of water a day.

Set Army Quotas For Victory Loan

Members of the Canadian Army in Military District No. 13 have headed the Sixth Victory Loan slogan: "Put Victory First," and are ready to achieve their quota of \$50,000, which figure was announced Wednesday at Headquarters, M.D. 13.

Quotas have been set for the 18 individual groups into which the district has been divided for the campaign.

Ald. C. T. C. Currie Barracks, has the largest quota of \$20,000, followed by Ald. C. A. S. C. training center at Red Deer of which quota is \$18,500. No. 133 Internment Camp at Lethbridge has a quota set at \$52,500 and next comes the area commandant at Edmonton with a quota of \$25,000.

Quotas for the remaining groups in the district are as follows: Group No. 1 (Headquarters, M.D. 13) \$85,000; Group No. 13 (D. Depot) \$10,000; Group No. 4 (No. 131 C.I. (B) T.C. Camrose) \$20,500; Group No. 5 (No. 132 C.I. (B) T.C. Grande Prairie) \$8,000; Group No. 6 (No. 133 C.I. (B) T.C. Vermilion) \$25,000; Group No. 10 (No. 130 Internment Camp, Sec 8) \$5,000.

Disease Reveals Increase in City

Communicable diseases cases reported to the city health office during the week ended April 17 totalled 137 compared with 113 the week previous, an increase of 44, according to a report filed Wednesday with the city commissioners by Dr. G. M. Little, medical officer of health.

The following is a tabulation of the cases reported:

This Week	Last Week
Chickens	28
Measles	68
Mumps	5
Rubella	2
Scarlet Fever	40
Whooping Cough	5
137	113

Group No. 11 (No. 132 Internment Camp, Medicine Hat) \$36,500; Group No. 12 (No. 3 Base Ordnance Depot, Edmonton) \$7,000; Group No. 14 (Camp Commandant, Wainwright) \$5,500; Group No. 15 (Experimental Station, Suffield) \$19,000; Group No. 16 (C.W.S. Suffield) \$25,500; Group No. 17 (No. 13 (No. 2 C.W.A.C. (B) T.C. Vermilion) \$25,000; Group No. 18 (Winter Training Camp) \$5,000.

Victory is in your hand too!

THIS IS A YEAR OF DESTINY . . . a time to search one's heart . . . to ask oneself "Am I doing all I can to help bring victory this year? . . . Am I holding nothing back when thousands are giving all?" Victory in Europe is within our grasp—but it can only be seized by an all-out effort. Your hand signing for Victory Bonds is

backing our men in their assault on Hitler's European fortress.

Stretch your hand across the Atlantic and strike a blow for victory! Every drop of ink used in signing for Victory Bonds is a direct hit at the enemy . . . weakening his resistance—helping shorten the war and therefore to save Canadian lives.

We can do it!—we must do it! Yes, we have done a good job so far, but the end is not yet. We must now throw in everything we've got towards the final blow. Let's do our share by buying every Victory Bond we can—and then one more! Your reward will be the deep sense of satisfaction that comes from the knowledge you have played your full part in hastening peace in Europe this year.

Get ready to Sign your name to Victory
